MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT: Special Map Folio on Vietnam

1. In a letter to me dated 22 May 1967, Mr. George A. Carroll requested that two simplified maps be constructed for the Vice President's use in briefings and discussions.

2. The first two maps in the attached folio are in response to the specifications of Mr. Carroll. An additional two maps, at a somewhat larger scale, of North and South Vietnam were put together from existing plates.

3. The cover of the Map Folio for the Vice President bears only the title, "Map Folio of Vietnam". There is no attribution to the Agency as you find on copies supplied to you and the DCI.
